Themonex	£27.00	£42.00

Helps control appetite and cravings. Gives welcome energy kick and rises body temperature thus burning off more calories even when sedentary.

Stackers	£20.00	£29.00
Cheaters Relief	£27.00	£40.00

New science breakthrough allows you to enjoy a high calorie meal guilt free. Even junk food is no problem. By binding to dietary fats so that they pass through the body undigested, while at the same time through unique nutrient partitioning . Cheaters cheats the body into driving excess carbohydrates towards muscle glycogen stores and away from fat storage .
